

## How to embed GetUp's 'Save The Net' Widget

With our new petition widget you can collect signatures for GetUp's 'Save the Net' petition from your own social-networking profile, blog or webpage without visitors ever leaving your site. It's easy and secure – just follow the instructions below. Specific instructions are included for popular websites.

Simply copy the HTML code below and paste it into your webpage or blog post; it works the same way as embedding a YouTube video. Visitors to your page will be able to enter their details to sign the 'Save the Net' petition securely, email their friends about the campaign, and embed the tool on their on site.

### Embed code:

```
<div><object classid="clsid:D27CDB6E-AE6D-11cf-96B8-444553540000"
